# Mission Statement

---

It is our mission, to provide our clients cutting edge, high quality and innovative products and services that are environmentally safe and have a positive affect on our clients bottom line. We are, "customer focused and customer driven."

# Vision Statement

---

AD Sales and Service endeavors to build a reputation rooted in humanity, humility and compassion. We want to provide products and services that not only provide financial gain for our clients but enhance the quality of life of our end-user. We believe in investing in people with strategic ideas for revolutionary solutions to everyday problems.

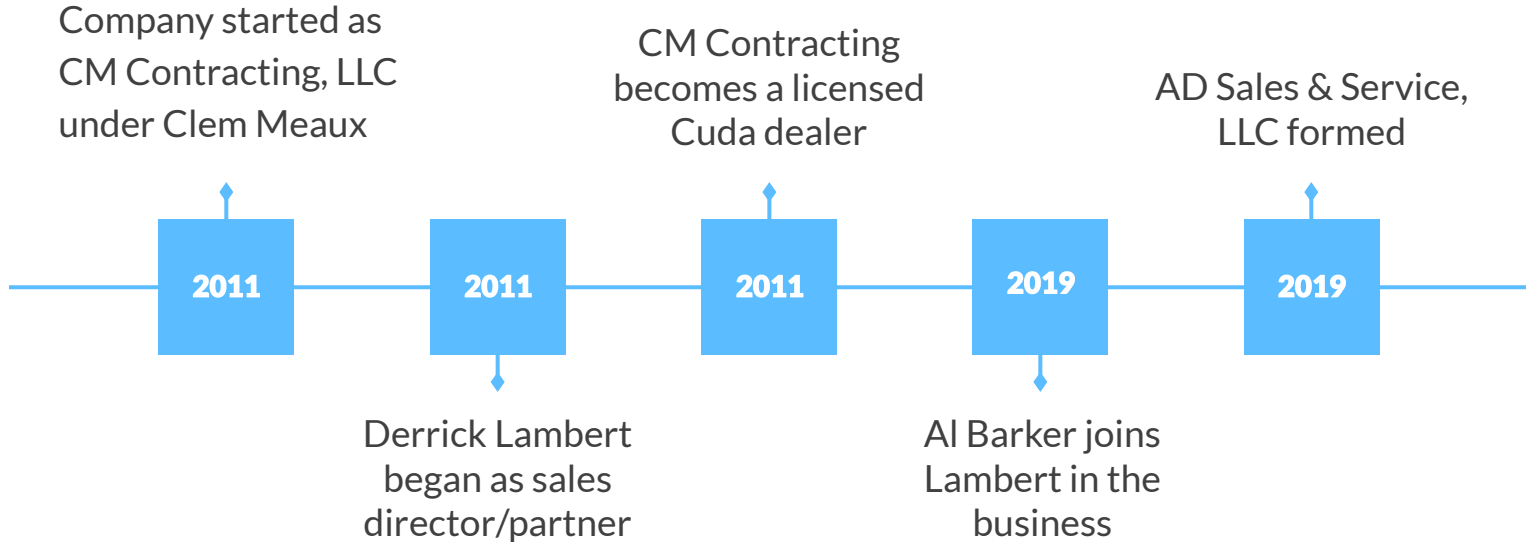

# A Brief Story

---

Albert Barker and Derrick Lambert, co-owners of AD Sales & Service, LLC bring more than 55 years of combined sales experience to this industry. The pair were both born and raised in Beloit, WI. Albert would later attend the University of Wisconsin - Milwaukee where he received his Bachelor's Degree, while Derrick graduated from Rock Valley College and Alabama State University in Montgomery, Ala. Despite being raised in the same town, the two wouldn't meet until 2011 at Lincoln Heights Baptist Church.

# Our Brands

**CUDA**

**KÄRCHER**

**VICTORY  
INNOVATIONS CO**

**VitalOxide**

**AD** Sales Service, LLC

Customer Focused. Customer Driven.

**Equipment**

Kärcher is a world market leader in cleaning technology.

**Cleaning**

CUDA is a safe and efficient solution to cleaning parts.

**Disinfectants**

Vital Oxide is an EPA registered commercial and residential disinfectant.

## Cuda

---

We teach our customers that the best decision they can make for their shop is to invest in an automatic parts washer. It saves the company money by reallocating the time of their technician to a task more productive.

## Kärcher

---

Our customers are able to accomplish more with the same size staff with the impressive productivity of our Kärcher brand cleaning equipment.

# *VitalOxide*

Simply put, we provide products to keep you safe healthy. We have disinfectants that have been proven to kill 99.999% of viruses.

THANK YOU
